November 8, 2014

Field 800-027B 12.77 acres page 58 of 121 in the Hudson Dairy CNMP
Field appeared to be too saturated, the equipment was tracking mud onto Packard Road.

In the permit:

Prohibitions: Page 11 (4)

(4) CAFO waste shall not be applied on land that is flooded or saturated with water at the time of land application.
